Theme of the Month: THANK YOU

Dear Parent,

We just wanted to take this opportunity to thank you for participating in the A+ Program. We appreciate your commitment to us, and we will continue doing our best to bring you the highest quality after school program in town. Now is an appropriate time to give you this praise because, this month, our theme is "Thank You." All month, we're going to be teaching the A+ Kids the importance of being thankful and appreciating what they've got. We know you, the parents, are a big part of their lives that they can be thankful for. Take some time this month to remind your child of the importance of being thankful and make sure they show you their appreciation. Thanks again for being a member of A+ Kids!
