Theme of the Month:
THANK YOU

Dear Parent,

We just wanted to take this opportunity to thank you for participating in the A+ Program. We appreciate your commitment to us, and we will continue doing our best to bring you the highest quality after school program in town. Now is an appropriate time to give you this praise because, this month, our theme is "Thank You." All month, we're going to be teaching the A+ Kids the importance of being thankful and appreciating what they've got. We know you, the parents, are a big part of their lives that they can be thankful for. Take some time this month to remind your child of the importance of being thankful and make sure they show you their appreciation. Thanks again for being a member of A+ Kids!

This is it! You've won the biggest martial arts tournament in the world! You've also just won Martial Artist of the Year, and now it's time to give your acceptance speech. Prepare your speech and thank all of the people who've helped you along the way. Be sure to explain how they helped you become a great martial artist!

Thank You Card

Directions

Sit down with your child and talk about what he or she is thankful for. Help your child write a short note to someone they would like to thank on the inside of the card (*i.e. their grandparents, their teacher, etc.*) and help them decorate the card. Put it in the mailbox for them when you are finished.
